PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

Greeleyville Elementary School, a National Blue Ribbon School, which serves approximately 400 students in grades K-6, has developed the reputation of being a hard working and high achieving school in an impoverished area. The following are just a few of our accomplishments: recipient of the Firestone/Bridgestone Technology Grant; recipient of the 21st Century Learning Center Grant; President's Education Award received by six students; 24% of students received Honor Roll status for the year; implemented a school-wide Character Education Program; and 56 students participated in enterprise and service learning projects.

We renewed our 10-year accreditation with the Southern Association of Colleges and Schools. We completed the five-year School Renewal Plan and continued deregulated status from the South Carolina Department of Education.

Two teachers received their master's of education degree and one teacher completed Class 7A certification. More teachers were able to attend professional development conferences and serve on several district committees.

Our school has a strong School Based Management/School Improvement Council/Title I, PTO, and Positive Moral Development Committee all of which strive to work collaboratively to involve all stakeholders.

Although we face the challenge of a shortage of qualified teachers and substandard buildings, we will continue to carry out our mission of cooperatively working with home and community to help students develop into confident, competent, and responsible individuals with the life long learning skills necessary to achieve their fullest potential. We provide a safe, stimulating environment that encourages respect for individual differences and innovative programs to foster the total development of each student.

G. E. S. is truly a place where learning is a family affair.
